THE MAGAZINE OF WESTERN LIVING

INDEX TO ALL EDITIONS • JANUARY 1969 TO DECEMBER 1969

HOW TO USE THIS INDEX

SUNSET *is published each month in four editions:* Northwest edition for Washington, Oregon, Idaho, and Alaska; Central edition for northern and central California, Nevada, and Utah; Southwest edition for coastal Southern California and Hawaii; Desert edition for southeastern California, southern Nevada, and Arizona. Because of the climate and other differences, many SUNSET articles run in only one or two of the four editions.

You can tell which edition of SUNSET *you read* by looking on the index page of the magazine. At the upper left corner of the page you will see the name of the edition: Pacific Northwest, Central, Southern California and Hawaii, or Desert. The edition can also be found in small print at the bottom of the index page.

In the index listings, N denotes Northwest edition; C, Central edition; S, Southwest edition; and D, the Desert edition. The word "all" tells you that an article has appeared the same month and page in all four editions. Index listings are written as follows: May 76 N, C (May, page 76, Northwest and Central editions).

Two good ways to save your copies of *Sunset*

. . . choose the one that fits your needs

Our newest and most economical way of making past issues of SUNSET more useful. Each sturdy cardboard magazine file holds six issues.

Files assemble in seconds and last for years. Use on your bookshelf or in the kitchen or workshop — anywhere you need and use SUNSET. You receive one **index (any year) and two 6-month files: $1**

This popular 12-issue binder opens flat for easy reference. Covered in dark green leatherette and imprinted with the year you specify, the binders are handsome additions to your bookshelf.

When used with the annual SUNSET Index, each full binder becomes an encyclopedia of gardening, travel, food and building. **12-issue Binder: $2.50**

Whether you choose magazine files or the binder, your SUNSETS become more valuable to you. Copies are kept together neatly and attractively, protected against damage and ready for use.

Binder orders should specify the number of single units desired (each binder holds 12 issues) and the years you wish imprinted. Imprinting is available for any year from 1953 through the current and following year. One binder: $2.50.

Magazine file orders should specify the number of pairs (a pair holds 12 issues) and the year of the index you wish with each pair. But *no year* need be specified for the files as they are not imprinted and may be used for *any* year. One pair magazines files, plus one index: $1.

Indexes are available for each of the past ten years (indexes are included in the price *only with magazine files;* ordered otherwise, 25¢ per index).

Please add 5% sales tax on all California orders.

Please add 50¢ postage on binder or file orders outside California, Oregon, Washington, Arizona, Nevada, Idaho, Utah, Hawaii, and Alaska.
